COREL™ PDF Fusion™

VIEW, EDIT, ASSEMBLE, CREATE
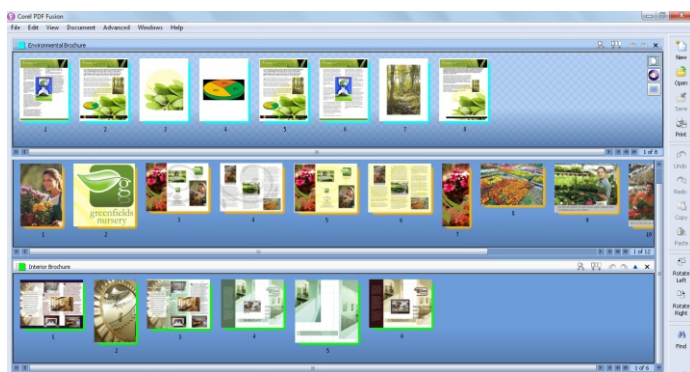

Overview

Drag-and-drop PDF assembly plus simple viewing, editing and PDF creation.

PDF Fusion™ is an all-in-one PDF solution that allows you to view files plus assemble, edit and create PDFs. With support for over 100 file formats—including PDFs, graphics and Microsoft® Office files—PDF Fusion is the ultimate file viewer. Drag and drop files from multiple sources to easily assemble them into one PDF document to share with anyone. The robust editing tools allow you to review and comment for easy collaboration, perform simple text touch-ups, add new text, bookmarks and comments, and rearrange pages. As a final step, PDF Fusion allows you to convert files to PDF, XPS and DOC formats.

Benefits of Corel® PDF Fusion™

Improve your productivity and efficiency with PDF Fusion™. PDF Fusion is your all-in-one PDF toolkit at a cost-effective price. It has been specifically designed to save office workers time in their daily tasks, with no unnecessary complexity. With the intuitive drag and drop user interface, you can revolutionize the way you create your documents!

- Save money by using PDF Fusion to view over 100 file formats without having to purchase additional software
- Merge incompatible files quickly and easily by dragging and dropping in PDF Fusion to create a new PDF document
- Save time with the PDF Fusion editing tools to reuse the content from existing documents without starting from scratch
- Easily share files with anyone by converting to PDF, XPS or Microsoft® Word formats

Target Markets

- Small businesses
- Legal professionals
- Government departments
- Enterprises
- Home consumers

What's Included

VIEWER
- Open over 100 file types—even if you don't have the software used to create the file
- Open Microsoft® Word, Microsoft® Excel®, Microsoft® PowerPoint®, Microsoft® Project, Adobe® Illustrator® , Adobe® Photoshop®, Microsoft® Visio and many other file types
- Choose one of three views to edit, read, assemble or create documents
- Use Flick View to flip through the pages of your document just like you're reading a book

PDF EDITOR
- Just select a phrase or sentence and start typing to make changes
- Add additional text anywhere in a document
- Easily add bookmarks and comments
- Mark up documents using highlighting or sticky notes
- Redact sensitive information and save securely
- Add watermarks
- Insert hyperlinks to other pages in your document, other files or websites
- Rearrange, rotate or crop pages

- Drag-and-drop to easily add content from multiple sources—including documents, spreadsheets, presentations, and images—into a single PDF package to share with anyone
- Quickly assemble new documents using pages from existing material
- Export and email PDF documents
- Convert files to PDF or XPS

PDF Fusion™
